

Visiting the Leon County

Dr. BL Perry Jr. Branch Library

LEROY COLLINS
LEON COUNTY
PUBLIC **LIBRARY**

Today, I am going to visit my library.

This is the front of my library.

When I walk into the library, the doors
will open automatically.

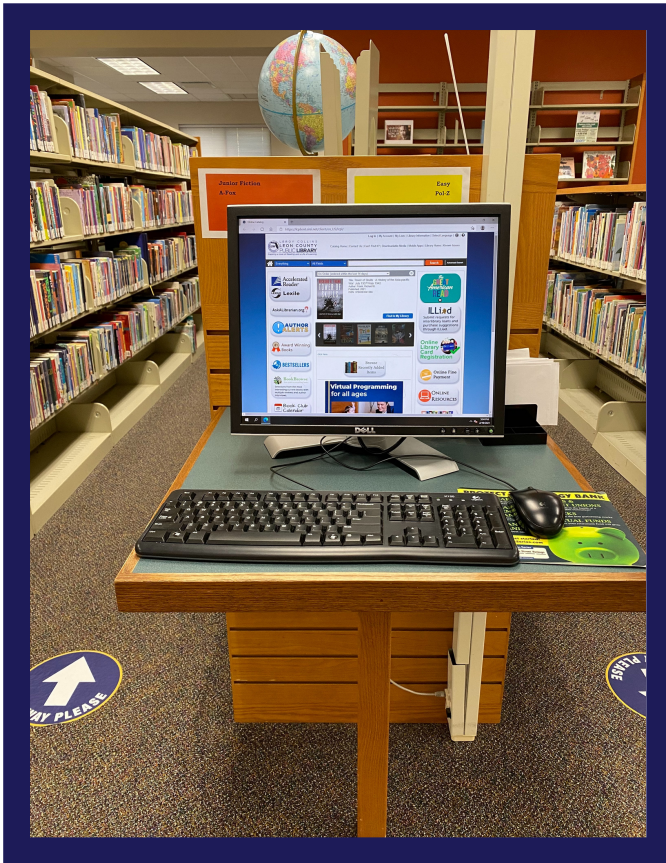

This is the lobby of my library.

When I enter the library, I walk through the lobby to go into the library. These doors are kept open when the library is open.

These are the book drops at my library.

I return the books, magazines, and media (DVDs, CDs, Launchpads) and other materials that I have checked out in the book drop. The library also has an outside book drop.

My library has computers.

I can use some of the computers to find books and movies at the library. On the computers, I can play games with my grown-up.

This is the restroom at my library.

There are restrooms in the lobby at my library. I wash my hands when I am finished. I can use paper towels to dry my hands.

The children's books are in the children's section.

There are many books in my library. They are neat and organized and all have a space on the shelf where they belong. My library has rules. I will talk quietly. I will walk. I will stay with my grown-up. I can ask the nice library staff for help if I am looking for something or if I get separated from my group.

This is the Circulation Desk at my library.

When I am ready to leave the library, I need to bring the items I want to borrow to the Circulation Desk. I will use my library card to checkout my items. Sometimes there is a line and I will be patient as we wait our turn.

I can use the self-checkout machine to check out my own things. Every time I scan a book or movie, it might make a beep and a click. The librarian behind the desk can also check out my books. I might hear lots of beeping sounds at this desk.

I am ready to go home.

Sometimes when I leave the library, I will hear an alarm beep. It is loud, but I don't have to worry. It means that someone forgot to check out a book before they left.
